20a. How does the Committee accomplish its purpose?

To accomplish its program goals, the NAEPP Coordinating Committee works with the National Heart, Lung, and Blood Institute (NHLBI), as well as other federal agencies, intermediaries including major medical associations, voluntary health organizations, and community programs to educate patients, health professionals, and the public. The overall goal of the NAEPP is to enhance the quality of life for patients with asthma and decrease asthma-related morbidity and mortality.

20b. How does the Committee balance its membership?

The Committee will consist of up to 15 voting members. Members will consist of Federal employees, Special Government Employees (SGEs), and Representatives. In addition, one official from the Division of Lung Diseases, and one official from the Center for Translation Research and Implementation Science will serve as co-Chairs of the Committee. At least three members will represent government agencies, from among the NIH national research institutes and centers involved in research with respect to asthma, the Department of Housing and Urban Development, the Centers for Disease Control and Prevention, or any other Federal departments and agencies whose programs involve health functions or responsibilities relevant to this disease. At least three non-Federal members will serve as Special Government Employees selected from the health and scientific disciplines with respect to asthma. At least three non-Federal members will serve as Representatives from professional societies, voluntary health organizations, and community programs whose purpose is to enhance the quality of life for patients with asthma and decrease asthma-related morbidity and mortality.

20c. How frequent and relevant are the Committee Meetings?

The Committee meets approximately twice per year. In FY2018 the committee held its inaugural meeting on December 14, 2017.

20d. Why can't the advice or information this committee provides be obtained elsewhere?

The Committee's primary mission is to provide advice to the NHLBI on matters concerning asthma and to facilitate the efficient and effective exchange of information on asthma activities among the member agencies and voluntary health organizations to enhance coordination of asthma-related programs and activities. The Committee will assist in increasing public understanding of the member agencies' activities, programs, policies,

and research and will serve as a public forum for discussion of issues related to asthma.

20e. Why is it necessary to close and/or partially closed committee meetings?

N/A.
